Sponsorship Packages

Prices indicated are excluding VAT

Whatever your budget, and your requirements, sponsoring a WWRF event is a cost effective, hassle-free means to successfully promote your activities in the development of the Wireless World. As you will see from the non-exhaustive list of packages described below, opportunities at WWRF events range from the high level platinum package, which offers maximum exposure for your company both leading up to and during the event and includes an exclusive speaking position for a company representative; down to lower cost product branding opportunities, which are designed to compliment or act individually in support of your marketing strategy.

If you have any specific requirements that you feel are not covered by the packages available, then please do not hesitate to get in touch. We are always available to help you identify the options that best suit your budget whilst maximising your value and visibility at the conference, and if necessary, can work with you to create innovative sponsorship packages tailored to the exact needs of you and your organization.
